4-H & FFA SHOWS

IOWA YOUTH CODE OF ETHICS

4-H and FFA youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state, or regional exhibitions.

4-H and FFA Youth will abide by the following guidelines:

- Youth will do their own work appropriate for age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support youth, not do it for them.
- All exhibits will be a true representation of youth's work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete youth's exhibit is considered misrepresentation and is prohibited.
- Youth will treat all people and animals with respect. Youth will provide appropriate care for animals.
- Youth will present exhibits that are safe for consumption. All food exhibits will be safe for judges to evaluate and for exhibition.
- All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violative drug residue.
- If any animal requires medical treatment while at the fair or exhibition, only the Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
- Animals' appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have its appearance or its performance changed shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
- Youth will follow all ownership and possession rules and, if requested, will provide the necessary documentation.

IOWA YOUTH CODE OF ETHICS(CONT.)

- Youth will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. Youth will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
- By entering an animal in this fair or exhibition, youth give consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or any other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates the presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
- Youth are responsible for their own exhibits and will not allow others to violate this code on their behalf. By entering an exhibit in this fair or exhibition, youth will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
- Youth want their exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
- Youth will not be involved in any illegal activities while participating in the 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

Youth agree to conduct themselves in an honest, ethical and upstanding manner and understand that disciplinary actions will result if these rules are violated. Youth understand that they are expected to represent the program in a positive manner. Youth and parent and/or guardian agree to read, understand and follow this code of ethics and any other rules of competition of the fair or exhibition as printed in this premium book.

2023 ANIMAL HEALTH REQUIREMENTS

FOR EXHIBITION OF LIVESTOCK, POULTRY

& BIRDS AT COUNTY 4-H/FFA FAIR

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABSCESES OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

No individual Certificate of Veterinary Inspection will be required on animals or poultry exhibited at County 4-H/FFA fair, but the animals will be inspected when unloaded, or shortly thereafter, by an accredited veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

SWINE

No testing is required for swine at an exhibition that involves only market classes, provided all swine are consigned directly to a slaughter establishment from the exhibition. Families should plan on pigs going home.

POULTRY & BIRDS

All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester.

DOGS & CATS

All dogs and cats exhibited must have a current rabies vaccination certificate.

SHEEP & GOATS

All reproductively intact sheep and goats (ewes, does, rams, bucks) must have a scrapie tag before exhibition (at county or state fairs) or before being sold. This would include any ewe lambs shown in market classes also. 4-H and FFA members purchasing lambs at a few months of age need to be sure that the animals already have a scrapie flock tag in their ear when purchasing them from the birth flock, and all does have a tag or tattoo from the birth herd. Wether lambs and kids do not need to be tagged. Registered goats may use officially approved unique tattoo numbers. If you have a flock or herd, you will need to order scrapie program tags from USDA Animal & Plant Health Inspection Service, 1-866-873-2824. When you call they will assign you a flock premise number. They will also send record keeping forms along with your tags. Tags are available free of charge, but only in quantities of 100 or more.

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL.

HORSE AND PONY RULES AND REGULATIONS

General livestock and general rules and regulations apply in this department, with the exception of general livestock rule #10 and #11. "Rules and Regulations for Equine Shows in Iowa" 4-H 511C govern all exhibits in this department. 4-H 511C can be viewed, ordered or downloaded here: <http://www.extension.iastate.edu/4h/projects/horse>

1. Entries in the classes are open to horses or ponies regularly enrolled as 4-H projects. No stallions may be on grounds at any 4-H event. The 4-H/FFA member must have taken a major role in the care of their horse. To exhibit in classes where the primary emphasis of evaluation is the skill level of the 4-H/FFA member, ownership is not required; however, the 4-H/FFA member must take an active role in the care of the animal. Horses entered in Showmanship at halter must be owned by the 4-H/FFA member or in partnership with a family member. Leased horses are allowed in all classes starting with Class 313 and at committee discretion.
2. ALL horse and pony projects MUST be on the grounds by 1:30 p.m. on show day (Sunday, July 9). ALL horses will be given health inspection prior to the show by the fair's official veterinarian and must be disease-free to participate in the show. All horses will be released after the show. **ALL MANURE NEEDS TO BE CLEANED UP BY EXHIBITORS NOT COMMITTEE MEMBERS. The committee reserves the right to have premiums withheld.**
3. Exhibitor Apparel- See "Rules and Regulations for Equine Shows in Iowa" 4-H 511C
 - a. Western- p. 22, p. 58
 - b. English- p. 22, p. 38-39
 - c. Timed Events- p. 121
4. All 4-H/FFA youth participating in any riding classes must wear American Society of Testing Materials (ASTM) and Safety Engineering Institute (SEI) approved headgear with chin strap and properly fitted harness while mounted and riding, including warm up. REMEMBER: In the interest of safety when you are mounted, safety helmets and boots are mandatory, and the horse must be properly tacked. This includes the warm-up area. Any dispute will result in disqualification from your classes.
5. Contestants shall act as young ladies and gentlemen at all times. Unnecessary roughness or discourtesy will dismiss the exhibitor from further competition for the entire show. Good sportsmanship shall prevail. Courtesy is mandatory. No abuse of horses will be tolerated. Each exhibitor must keep their horse under control or be excused from ring.
6. The trail class shall include at least six and not more than 10 of the obstacles as listed for this class in 4H-511-C. Entrants may also be asked to ride the ring at walk, trot and lope both ways of the ring on a reasonable loose rein without undue restraint. The judges shall have the right to ask additional work from any horse.

HORSE AND PONY DEPARTMENT (CONT.)

7. The classes in this department will be judged based on the scoring procedures listed in 4H-511-C "Rules & Regulations for 4-H Equine Shows in Iowa." Ages of horses or ponies shall be based upon January 1 of the current year. Ponies are classified as 56 inches or under, horses over 56 inches.
8. Each rider must keep their horse or pony under control or be excused from the ring.
9. Each exhibitor may exhibit only one entry per class. Exhibitors must declare the horse they will show for points to accumulate prior to start of show.
10. If entries warrant, classes may be split or combined accordingly.
11. In order to participate at the Henry County Fair Horse Show, participants must belong to a Henry County 4H/FFA Club.
12. All equine must be identified in 4-H online by May 15th. Maximum of 5 head can be identified; of those a max of 2 may be leased. 13. Pre-registration is required through fairentury.com.
14. High point winners will be given awards as follows: Grand Champion/Reserve Junior Rider grades 4-8; Grand Champion/Reserve Senior Rider grade 9-12. Points will be tabulated using system posted at announcer's stand on show day.
15. Any animal ruled unsafe or unsound by the show veterinarian, judge, or committee before or at any point during the show will be excused for the duration of the show. Committee decisions in this regard are final.

6. All other accessories and undergarments may be constructed or selected.

CLOTHING SELECTION

1. The purpose of this category is to select and/or purchase an outfit that represents the 4-H member's goal or intended use for the selected outfit.
2. Judging is based on fit, color, style, suitability, quality and construction features, stage presentation, required care, and cost comparison.
3. There is no consideration in the judging on the amount spent, only in the process of record keeping and reflection on the cost of the individual items as a part of the process.
4. Outfits may be purchased at a department store, boutique, online store, sidewalk sales, retail shops or mall stores. Outfits may also be purchased at garage sales or other second hand venues at any price point. CLOTHING DEPARTMENT (CONT.)

5. Receipt(s) for every item included as a part of the calculated total must be submitted with the entry. A garage sale receipt can be a piece of paper with the name of the location such as "Jane Doe garage sale", date, amount paid, and signature of person selling at the garage sale. If the outfit was free at a garage sale, "free" can be listed on the report form and on the receipt. Failure to provide receipts will be reflected in the evaluation.
6. An outfit consists of major clothing pieces such as a shirt and pants or a dress. Shoes, undergarments and accessories are not included in the \$20 purchase price limit.
7. Alterations are permitted to achieve a desired look or fit.
8. There are no additional considerations for an outfit that cost less than \$20.
9. The outfit pieces should be purchased to meet the 4-H member's goal or intended use for the purchased outfit, and the 4-Her should have had an experience in choosing shopping alternatives, evaluating fit, quality and construction features, price, and cost comparison.

PHOTOGRAPHY DEPARTMENT

Photography Special Rules:

1. Photographs may be black and white or color. They may be processed from negatives, slides or digital cameras on photo quality paper.
2. Photos should be mounted and have protective covering. (A) flush mounted- no board showing (B) with mounted borders showing
3. Digitally altered photos should include a copy of the original before changes.
4. Photographs depicting unsafe practices or illegal activities will not be displayed.

The rule that photographs showing unsafe practices will not be displayed reflects current practice. This rule also aligns with the general rule that all exhibits must use safe and approved methods. Of special concern are photographs of railroads and rail tracks that could not have been taken without trespassing on railroad property. This is a major concern of railroads and one they seek to cause greater awareness of – for professional and amateur photographers alike. It's fine to take photos of trains and rails. Photographers need to do it in a safe manner and from public spaces, not railroad property. For additional information on railroad photography exhibitors
