

2026 Henry County Fair Queen Contest

The Henry County Fair Queen Contest celebrates young women who exemplify leadership, poise, service, and a commitment to their community. Each year, this program provides contestants with opportunities to grow in confidence, develop interview and public speaking skills, and build lifelong connections. As coordinators, we are inviting local businesses and community members to partner with us!

The 2026 Contest will be held on Wednesday, July 15 during the Henry County Fair. Contestants compete in three divisions; Princess (8-11), Junior Queen (12-25), and Queen (16-21).

Throughout the day, participants take part in interviews, leadership activities, and on-stage judging before the evening crowning ceremony. Your support funds contestant meals, day-of activities, crowns, sashes, flowers, recognition gifts and prizes, and scholarships to encourage participation and growth. This makes a meaningful difference for our contestants and helps ensure the continued success of this program.
